## Summer 2018 ESC Summer Faculty Application

The UIW European Summer Faculty Selection Committee and Application was established to provide **guidance and support** for UIW faculty wishing to teach at the European Study Center during summer I or II semesters. The selection committee's primary objective is to offer guidance and support, while **ensuring faculty receive the benefit of a collaborative team environment** when developing and implementing their approved course promotional strategy.

In an effort to support faculty wishing to teach at the center, the selection committee will review applications with a specific focus of addressing academic topics common to international study abroad programs, mitigating foreseeable issues and challenges, and collaborating efforts to implement a mutually agreeable promotional strategy to advertise the approved course(s). **The committee is under no obligation to approve the faculty's application**; however, will ensure faculty have all of the necessary information and support to help guide them
