

fact sheet

Located in the heart of Buenos Aires, UADE is an undergraduate and graduate degree granting university with a 43,000-student population. Campus based, this modern and innovative institution of higher education is devoted to providing students professionally focused leading-edge opportunities in learning and research engagement.

Founded by the Argentine Chamber of Corporations, our identity is built upon strong ties between the University and the business world. These ties enable UADE to keep pace with the ever-changing labor market demands and give a proactive response through academic education and research.
